*Allowable Subject Matter*

The following is an examiner's statement of reasons for allowance: claims 1-2, 4-11, and 17-27 are allowed.

Cited arts alone or in combination fail to disclose a specific arrangement of a coil support associate with a conduit for a rotor for a synchronous machine comprising a cylindrical magnetic solid rotor core having at least one conduit extending through the core and parallel to a core axis; a race-track super-conducting coil winding extending around the rotor core, wherein said coil winding is in a plane of the at least one conduit; a coil support extending through the at least one conduit of the core and attaching to opposite long sides of the coil winding, wherein a gap is between said coil support and said conduit such that the coil support is thermally isolated from said conduit, and a pair of end shafts extending axially from said core and attached to the core.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
